Re: United States v. Ng Lap Seng
Case No. 1:15-cr-00706 (VSB)

Dear Judge Broderick:

We are co-counsel with Brafman & Associates, P.C. for Ng Lap Seng in the above-referenced matter.

We write to request permission to allow Mr. Ng to utilize the swimming pool and the gym room on the 43rd and 42nd floors, respectively, in the building where he resides for his physical and mental well-being, based on the recommendation of his doctor that he needs regular exercise due to the complications brought on by diabetes. We have conferred with Pre-trial Services Officer Dennis Khilkevich and he has no objections to Mr. Ng utilizing the building's clubhouse while accompanied by his security monitors.

Based on the foregoing, we respectfully request the Court So Ordering our request.

We thank the Court for its consideration.

Respectfully,

Hugh H. Mo
